Dear Parents

Please can I remind you to complete the online survey for the **phased return** of further groups of children that I sent out last Friday indicating if you intend sending your son or daughter into school if you have not already done so. This does not commit you to attending or not. It is simply an early indicator to inform planning.

The survey can be found here: <https://forms.gle/w4kK3Hv4fSHS9VTN6>

Please can you ensure that you have done this by tomorrow (Thursday 20th May) as we are trying to organise provision arrangements before we break up for half term for the week beginning 1st June.

The eligible groups are mentioned below in the bullet points

- Children attached to a social worker
- Children with an Education Health Care Plan
- Children of critical workers (Note that the guidance has changed and can be viewed [here](#). Please send a copy of your letter of critical worker status by post or email to ajjs@york.gov.uk if you haven't already done so).
- Children in Year 6

I will be sending through more paperwork related to the schools arrangements and organisation over the next couple of days and I will keep you informed as much as possible as we navigate these uncertain times but, as always, please feel free to contact me by emailing head.archbishopjunior@york.gov.uk

Yours sincerely

Jonathan Green
