

# PREPARE YOUR PLAYGROUND FOR RE-OPENING

Rhinoplay can service your equipment and apply an antimicrobial treatment which may help reduce the chance of spreading viruses.

- ✓ Kills mould, bacteria and viruses
- ✓ Kills germs and surface odour instantly
- ✓ Safe, water based formula – no toxic fumes
- ✓ It's safe to use, easy to apply
- ✓ Won't stain, bleach or burn
- ✓ No chlorine or dangerous chemicals
- ✓ Treatment lasts for up to 100 days

Please contact us at [info@rhinoplay.com.au](mailto:info@rhinoplay.com.au) for a maintenance and antimicrobial treatment quotation, or for any enquires regarding your play equipment.
