

Name:

The Powerful Word of the Month is generosity. We can be generous is so many ways- from sharing our "treasures" (i.e. money, food, clothes) to our talents and skills (i.e. entertain, fix, teach) to our time (i.e. reading to the blind, organizing a charity event)! We can also be generous with our thanks-- our gratitude- so that others know how much we appreciate them. **Below, write a thank you letter to someone who has truly made a difference. Incorporate how this person was generous to you using time, talent, treasures or a combination of these. Extra bonus points for sending it to the person!** 

Thank you!
