Learning our faith, Living our faith, Loving our faith

26th February 2020

Dear Parents / Carers

You may be aware that government advice regarding coronavirus has changed and now extends to people who have recently visited **Switzerland, Croatia, Austria, Northern Italy, Iran, South Korea, Vietnam, Cambodia, Laos and Myanmar**. The full advice is available at [Coronavirus \(COVID-19\): latest information and advice](#) and we ask all members of our school community to follow the official guidance.

With particular regard to the advice on travellers from Northern Italy, please note the following:

- Anybody who has recently visited any of the towns currently in lockdown in Northern Italy should stay at home, **even if they show no signs of symptoms**.
- Anybody who has recently returned from any other areas of Italy north of Pisa should self-isolate for 14 days **if they show flu-like symptoms**.

If either point above applies to you or a member of your family, please keep your child at home and let the school office know office@stmichaelrc.hounslow.sch.uk as soon as possible.

I would also like to remind you that **any student who is unwell, particularly if they have a fever, cough or shortness of breath, MUST stay at home until they are recovered**. This is standard procedure for infection control and must be observed.

We will continue to follow the latest advice from the UK Government and Public Health England and will update you as and when necessary.

Thank you for your continued support.

Yours sincerely

Mrs N Duggan
Headteacher
