The Powerful Word of the Month is indomitable spirit. Indomitable spirit means: "Persisting in the face of challenge and surging forward after failure." **Below; Think through 3 goals, tasks or skills you have worked on achieving or mastering. What was the goal/task (i.e. learn new skill by March)? What mistake or failure did you face (i.e. trouble remembering steps)? What adjustment did you make (i.e. got help, wrote down steps, practiced more often)? Did you ultimately improve or reach your goal by persisting and showing indomitable spirit (i.e. goal reached, progress made)?**
