Dear Parents / Carers

## **RE: Home Learning**

This week pupils have taken home a range of activities to support home learning whilst they are not at school. In addition to this, we have uploaded some very useful information on the school website for families that would like to support their children at home in light of Coronavirus/Covid-19. These are:

1. Purple Mash: <https://www.purplemash.com/sch/stmichaeltw4>

13. Free maths lesson videos - <http://www.iseemaths.com/home-lessons/>
14. Daily maths lessons - <http://www.whiterosemaths.com/homelearning>

We ask that you visit the School Website (Class Pages and Home Learning) for regular updates as this will be the main method of communication between teachers and pupils. The teachers have shown pupils where to find their home learning materials this week. The direct link to the Class Pages and Home Learning section of the website is: <https://bit.ly/2J3ZTQU>

Teachers will be uploading a weekly timetable which will outline a week of activities in suggested time slots. This should help to keep the home learning as consistent as possible with the routine of the school day; but if in doubt read alone, read to, read with!

These are unprecedented times we appreciate all your efforts to support the children at home.

We wish you all good health and God's strength at this difficult time, may the Holy Spirit watch over us all and keep us safe.

Warm regards

**Mrs N Duggan**
