

During this time of uncertainty and isolation we want to make sure our resource parents have **resources, learning opportunities and SUPPORT**

**The Foster and Kinship Care Education** Programs of several colleges are working together to make sure this happens.

**Here is a list of webinar training we will be offering immediately for your support.**

The courses are all live training with opportunities to ask questions and be part of training with other resource families. Trainings can be accessed from your computer, iPad or phone. We want it to be simple and convenient for you. The good news is you can take these classes in your own home, even with the kids home.

To register for these trainings go to this LINK - <https://bit.ly/36EPJ4k> to find out how to register and more information about each webinar being offered. This page will have each class available for you to register for by simply adding your name and email. Once you add your information you will receive an email with all the details to the on-line ZOOM webinar, and handouts supporting each training.

You can sign up for as many as you would like to attend. Please plan on attending if you sign up. You can sign up at the last minute if you are unsure. We want to make this as easy as possible for you!

**There will also be CEUs available for each course - find out more -** <https://bit.ly/2WBdtTO>
