Dear Parents / Carers

Latest advice and plan regarding Coronavirus / COVID 19

We have now been instructed to close the school to almost all pupils unless they come from a family where **BOTH** parents are essential key workers. Only if it is feasible will we be able to open the school; however, if we cannot open, these children will be given the option to attend a local 'Hub School'.

We don't have any other information at the moment but will let you know as soon as we do. Key workers (although this has not been confirmed) include:

- NHS Health workers
- Police Officers
- Teachers
- Supermarket delivery drivers
- Prison officers
- Social workers
- Firefighters
- Workers caring for the elderly

If you and your partner fall into this category and would need your child to be in a school setting, then please email: office@stmichaelrc.hounslow.sch.uk by the **3pm today** so that we can make the necessary arrangements.

Thank you for your patience and understanding at this troubling time. Please rest assured that we are trying our best to do what is right for the children and staff.

We keep our community and indeed everybody in our thoughts and prayers as we navigate through this in the safest way possible.

Best wishes

Mrs N Duggan
