Dear Parents / Carers

Latest advice and plan regarding Coronavirus / COVID 19

Due to our current staffing situation and the growing number of teachers being required to self-isolate we have taken the decision to **close** our **Nursery** and **Reception Classes** from tomorrow **Thursday 19th March 2020** until further notice.

Any children who were not in school yesterday or today will not have received the Home Learning Packs which we have devised for every child in the event of school closure. These packs are available for collection at the school office.

As stated in yesterday's letter if you have any concerns regarding the health of *anyone* in your family, please call NHS111 who will advise you further. You should continue to send your daughter/son to school, and if you have any concerns about this, you can call 0800 046 8687 which is a dedicated line to the Department of Education (also email: DfE.coronavirushelpline@education.gov.uk).

In the mean time we will continue to do everything possible to keep the effects of this virus to a minimum here at St Michael and St Martin and endeavour to maintain our school being open to play our part to support the National plan.

Please also keep in mind the pressure which the school staff are currently working under.

We will continue to keep you updated throughout this worrying time via Parentpay messages, website email and latest news updates on our website.

Many thanks for your continued support.

Yours sincerely

Mrs N Duggan
