POWERFUL PROJECT

Name: _____

The Powerful Word of the Month is "generosity." Generosity means "Giving of one's time, treasures and talents without expecting anything in return." We can give of our time by doing tasks like teaching our sibling how to read or calling a lonely Grandparent. We can give of our treasures by donating money to a cause. We can give of our talents by making an art project for a sick community member. We can also be generous with our gratitude and say thank you to those who have helped us! **Below; fill in the boxes with your answers. Write a letter of thanks explaining how s/he has made a difference in your life.**
